

# AQ-SERVE

Air Quality Services For a Cleaner Air in Cyprus

## Project info

Start date: 06-12-2018

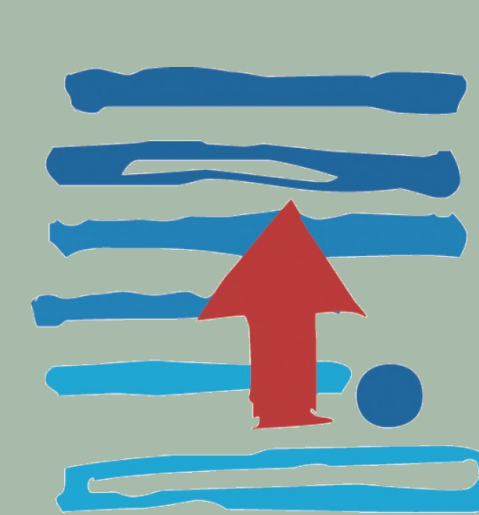

End date: 05-12-2021

INTEGRATED/0916/0016

Website: [aqserve-project.com](http://aqserve-project.com)

AQ-Serve will combine innovative technical developments along with new scientific knowledge on the characterization and prediction of air quality in order to provide the first ever evaluation of the health impact and risk assessment of air pollution in Cyprus.

The Project INTEGRATED/0916/0016 is co-financed by the European Regional Development Fund and the Republic of Cyprus through the Research Promotion Foundation
